

## Currant-Peach-Gateau

This sweet treat has no secrets... Thanks to its trendy 'naked' look, you can see exactly what the Red Currant and Peach Gateau has in store without even slicing into it. Striking layers of light and dark sponge are sandwiched together with peach and redcurrant creams, before the whole masterpiece is topped with a golden glaze and studded with fresh redcurrants. We've swapped the element of surprise for layers of lusciousness!
